2024 Special Event Race Reimbursement (SERF) Application Form
Please submit at least two weeks prior to the event.
(Do not be intimidated by this application! We encourage you to apply.)

When you joined the LGBRC, you signed an application that states: "The LGBRC is a completely <u>voluntary</u> organization. <u>Every member</u> is expected to contribute time in accomplishing the goals of the club (see other side) and, preferably, take leadership roles or, as a minimum, assist the club with various activities and functions, Board of Directors, sponsorship, training, etc." The LGBRC has budgeted a finite amount of money to support special event race expenses. For 2024, the LGBRC will reimburse members up to $100 per day (maximum reimbursement is three days or $300 per event.) <u>This program supplements our local race rewards program.</u>
